Q#05:

Pak's achievements after May-2025 de-escalation affected Pak's Global Standing & New opportunities risen for alliance & Economic partnership. Draw a Framework to enhance it's foreign policy :

Introduction:

In May-7 2025, India attacked on Pakistan on the basis of alleged allegations as: Pakistan was responsible for the Pahalgam attack at **24 April 2025** in the Indian occupied territory of Kashmir. Pakistan immediately retaliated according to International laws. Pakistan won this battle namely Operation Sindoor vs Bujangam-Mawso. Pakistan's achievements proved by International media such as New York Times, Al-Jazeera, USA's prime minister's rhetoric about Modi's request to broker peace between India & Pakistan ^{and} dominance

of Chinese weapon over Western Weapon Pakistan also continue warming their ties and making alliance with regional partners such as China and Russia along with International muslim states such as Saudi Arabia, Qatar and other Gulf states. Under the leverage of this success, Pakistan can change its foreign policy in Military, Economic and Social aspects.

#Achievements of Pakistan After May-25 de-escalation:

Peace-deal Brokered by Trump on the Modi's request:

On 10-May 2025, USA's president Trump announced a truce between Islamabad and New-Delhi. Trump retreated many times as Indian prime minister had requested him to announce cease fire between two nuclear armed states. Pakistan's power attacked on their ^{energy} facilities.

military arsenals and air bases forced Modi to make a request for truce.

A Clear Victory - 6/0

Pakistan's army chief announced this victory as 6/0 because Pakistan air force attacked on Indian famous **Rafals Air Jets** and destroy them in return of its Zero lost.

This attacks not only hurt the Indian prestige of having advance having worth of **350 million \$** Jet in response of Pakistan's **50 million \$ J-F 16** bought from China, but also disturb the demands of Rafals in International market.

Declaration BY International Media

International Media declared at the end of this escalation of Pakistan air force as the King of the Sky.

New York Times highlighted over the next day as:

— "Pakistan Air force, King of the Sky" —

Moreover, CNN, BBC, Al-Jazeera also declared a clear victory of Pakistan air force over the sky of South Asia.

Pakistan's achievement's in the form of opportunities (Alliances + Economic partnership)

Pak-Saudi Defence Pact.

In September, 2025, Pakistan signed a new deal with **Riyadh**. It's a Pak-Saudi Defence pact under the umbrella of Pakistan's **nuclear capabilities**. It is a vivid achievement of Pakistan after the May Indo-Pak conflict as the world observes the potential of Pakistan in the form of its **military capabilities**. Furthermore, under this defence pact, Saudi Arabia also boost its economic ties with Pakistan and add them in the **2030 vision of Saudi Arabia**.

Trump's invitation in Washington to PM and Army chief.

Day: _____

Date: _____

Pakistan faced a long period of tense relations between Islamabad and Washington under **Trump 1.0** and **Joe Biden** time period. But now in the period of **Trump 2.0**, USA rises its relations with Pakistan. Trump invited **Shehbaz Sharif** & **Asim Munir** in the White House and gave them a warm welcome. Both states agreed on various **Economic deals** such as **excavation for minerals in Pakistan**, to unlock the potentials of Pakistan assets. In **10 December 2025**, America offered Pakistan to sell its advanced **F-16** that strengthen the military till **2040**. (Media Sources: DAWN)

Making Alliances with Qatar & other Gulf States

Pakistan is now strengthen its ties with Qatar and other Gulf States as Pakistan prime minister visited that states to boost the economy of Pakistan. These states

offer Pakistan to increase trade, exchange culture, visas relief for students etc.

Frame Work to enhance Foreign policy (Pak leverage the May-de-escalation situation)

Military Domain:

Since we are living in an anarchic world and the balance of power is the only option to live peacefully in this world. Pakistan take full advantage of this success against India.

- * **Military exercises with China, Russia, Saudi Arabia.**
- * **Arms Embargo to enhance military Capabilities.**
- * **Pak-Saudi Defence Pact -**
 - increase defence budget, enhance defence technology, attract to other muslim states to join allians.
 - (A Muslim NATO)
- * **USA Base F-16 imparts.**

Economic Domain: * In economic terms,

get virus from donor states to roll back it's plan to demand return the loans.

* Trade with USA on minerals, and weapons

* Trade with KSA to become the part of Saudi's 2030 vision

Conclusion:

After May-2025 de-escalation, Pakistan's global standing affected in many aspects as Trump brokered a truce b/w KSA^{Pakistan} and India, victory by 6/0, declaration by International Media. Moreover Pakistan

increases it's alliam and economic relations with other states such as Pak-Saudi defence pact, ~~USA minerals and weapons deals~~, Economic ties with Qatar.

Therefore, in this regard Pakistan will design a frame work to enhance it's foreign policy by taking leverage of this success, in economic, military domain.
