Question # 1 (Translation)

Life never walks on the straight path. When we were
tension free in our childhood, every moment feels
like happy and playful. But when we step into young
age, the burden of realities shows us our responsibilities.
The dreams of past, which we think, now sometimes
becomes a reality or sometimes like the fox away stars.
The people who learned from their past mistakes, they
put a strong foundation for their future. Respect ^{the} ~~your~~
present, because the moment we have today will only
change our luck. Remember, time never waits, but
who respect the time, ^{the time} ~~it~~ opened the doors of
~~successful for it~~ achievements for it.
