Test - 2

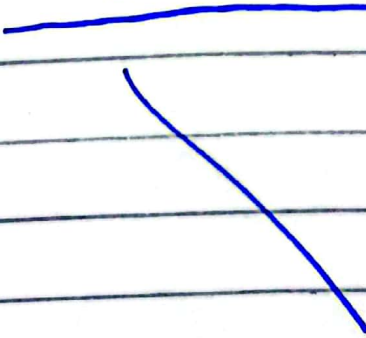

Q no 1:

Translation:

Life doesn't follow the right path forever. In childhood we used to be tension free, each moment was full of joy and playful. But by stepping into adulthood the burden of reality made us realize about our responsibilities.

The dreams that we made in past now sometimes they become reality or sometimes they become unachievable stars.

Those people who learn from past mistakes they make strong base for their future. Respect contemporary time because it is with us and only this can change our destiny. Remember that time doesn't wait for any, but the one who respects time then it opens its doors of success for the one.
