

Q2 PRECIS:-

Politicians know how to talk a talk, but not always walk a walk. Upon inquiry, they have the talent of speaking convincingly and misleading the masses. Nonetheless, the promises are often answered with forgetfulness or nothingness. Moreover, their acting skills need a big round of applause for entertaining the audience to their fullest. It would be sad not to acknowledge their wavering ability of adaptability and narrative setting. ~~Thus~~ Thus, their touching leadership is all about their performance, while ignoring to serve.

Date: _____

Day: M T W T F

Q7: TRANSLATION

There are some of the aspirants of competitive exam who think that they will ace the exam with high rank only by looking at book covers or by keeping the notes under their pillows. These are the one who sought refuge in prayers after only two days of preparation. However, in reality, neither someone possesses any "magic" nor there is any "short cut". If extraordinary result is the goal, then extraordinary hardwork is required. So, next time when you hold a cup of tea and think, "to study or not", remember remember! Success is not a gift, but earned through hardwork.
