Q? :

Life is not always a piece of cake. In childhood, when we were careless, every moment used to feel joyful. But soon after entering the adulthood, the burden of reality sensitized us about our responsibilities. The past dreams, that we made, now become reality sometimes and ~~unachievable~~ unachievable other times. The people who learn from the past mistakes, they make strong base for future. Value the present, because the moment we have right now, can change our fate. Remember, time do not wait for anyone, but the person who values time, the time opens the doors of success for him.
