Bob replied, "No, what happened?"

John said that Jake had been terminated the previous day and asked if Bob could believe it.

"What? Take? Why?" Bob exclaimed.

"I thought he was doing well in his role."

John explained, "Apparently, there were some budget cuts, and they had to ~~cut~~ let a few people go. It's really unfortunate."

Bob commented that it was terrible, noting that Take had been there for years, and then asked, "How's he taking it?"

John told him that Take wasn't taking it well, understandably, and added, "He's shocked and frustrated. I tried to reach out to offer support, but he's still processing everything."

"Ugh, this is too hard," Bob said.

"I hope he bounces back soon. It's always tough when someone you've worked with for so long has to go through this."

John agreed and said, "Yeah, it's a tough reality. We'll miss having him around the office. I just

hope he lands on his feet soon."
