Question No # 7

Translation

The biggest fragrance of the world is not in a garden rather lies in the happiness of the heart. Sometime, we search it in the precious metal of life, but in reality, the greatest happiness are those which are in the dept of the heart. This happiness is not in the office work or any luxurious life, rather in a moment that we achieve the spirit of success. Usually, we underestimate the smaller success happiness of life and always in search of biggest success. But, when we reason the heart, then we discovered that ^{real} reality of happiness are those which can achieve easily.
