PRECIS & COMPOSITION

QUESTION NO. 1

TRANSLATION

Life never goes on a straight path. In childhood when we were free from stress, every moment seemed to be of fun. But as soon as we stepped into adulthood, burden of realities made us realise our responsibilities. Dreams we had thought about in past, sometimes became reality and sometimes, the distant stars. Those who learn from the past mistakes, lay a strong base for the future. Appreciate the present because that is what we have and can be used to change our future. Remember, time never waits for anyone but those who appreciate it, doors of success will open for them with time.
