

English Precis and Composition

PART-II

Q No # 2

Ans

The Tricks of Politicians

Politicians are skilled in using complex words to avoid simple questions and making promises they rarely keep after elections. They put on emotional shows and perform staged acts, like taking photos with babies, to impress people. They quickly change their ideas to suit the situation and focus more on saving themselves than helping the public. Their actions show that leadership often becomes a show instead of real service.

Q#03. Reading Comprehension

Ans.

1) The renewable energy production compared to traditional fossil fuels have positive impacts on environment. It saves the planet and help to reduce pollution. However, traditional fossil fuels create greenhouse gases while renewable energy mitigate climate effects leading to a sustainable environment.

Q#7

Translation

Ans:

There are some aspirants of the Competitive Exams, who believe that they will become topper by just looking at the summary of the book or by keeping notes with them.

These are the same people who seek recommendation in their prayers after preparing for few days.

But in real, there is no short cut to success. If you want exceptional results, it will need extra-ordinary hard-work. So, the next time when you decide whether you appear or not but remember that success is not a cup of tea.
