

Question No. 1

Translation

Life does not always follow straight path. In childhood, when we were unworried, every moment seemed like a time of joy and play. But, as we entered into adulthood, the burden of reality made us realized of our responsibility. The ^{dreams} of past, we had nurtured for, sometime become reality and sometime become distant stars. Those who learnt from the mistakes of past, lay a strong foundation for the future. Respect the present, because the moment we have now can change our fortune. Remember, time waits for none, but those who value the time, time opens the doors of success for them.
