## Q.1

Translation into English:

Life does not follow a straight path. In childhood, when we were carefree, every moment felt like a time of joy and play. As we stepped

into youth, the burden of reality  
set realized our responsibilities.  
The dreams of the past, which  
we has cherished, sometimes turn  
into reality, and sometimes  
remain distant stars. Those who  
learn from their mistakes of the  
past lay a strong foundation  
for the future. Value the  
present moment, because the  
moment we have is the one  
that can change our destiny.  
Remember, time does not wait  
for anyone, but those who value  
it, time opens the doors of  
success for them.
