

TRANSLATION

Life is never like a piece of cake. When we were free in our childhood every moment was like a bed of roses. But after becoming young, life showed us harsh realities. Past dreams that we cherished, sometimes become a reality and the other time they seem like a distant ~~dream~~ star. Those who learnt from their mistakes, make their future bright. Value your present time because the moment you possess can change your destination. Always remember, time never waits for anyone, but one who realize its worth time opens success door for him.
