### Translation

But stepping into the youth, the burden of reality realized us about the responsibilities. The dreams we dreamt in our past, sometimes <sup>they</sup> become <sup>the</sup> reality and sometimes they go beyond the reality. The people who learn the lessons from the former mistakes, they lay a strong foundation for their future. Give value to the present, because what the moment we have, can change our fortune. Remember, time does not wait for anyone, but the one who gives value to it, time opens the doors of success for him.
