

Question No. 02

Future of oratory is impossible to forecast because it fall in bad days. ^{Nowadays} People used oratory for fun only. Ancient orators considered themselves on the task of high worth and values because they think that they were shaping works for all the future. But one ancient writer said that people have no more interest in fun. Nowadays, the given attention of the people become decline, because people give attention to the ornate kind of speaking. Sir Winston Churchill is the famous orator of ancient times. He used beautiful words always and take care of their ideas arrangement. His books and speeches are history in themselves. He will always remain as undying memorial of history and become the greatest figure of his age.

(Question No. 07)

The world fragrance is not found in the garden but in the happiness of the heart. Sometimes we search it in the luxuries of life. But this is fact that greatest happiness comes from the depth of our hearts. This joy is not found in office or luxuries of life but in those movements when we achieve our success and feel peace in our soul. Mostly, we ignore small joys of our life in search of

bigger successes. But when we listen to our hearts we realize that real happiness lies in those things that are easily accessible to us.
