

HUMBL Request  
Respected Sir,

I have to give  
4 tests a day daily  
from past few days.

So, I am writting only  
Main Points with Refrences,

If its possible, give mark  
acordingly (like when ~~in~~ there is  
description also).

Q1

“CPEC is a flagship Project for Pakistan's Economy and China”

China

1) CPEC Project : Reasons Of Slowing Down

Political Instability

Musical Chair

Race of Politicians

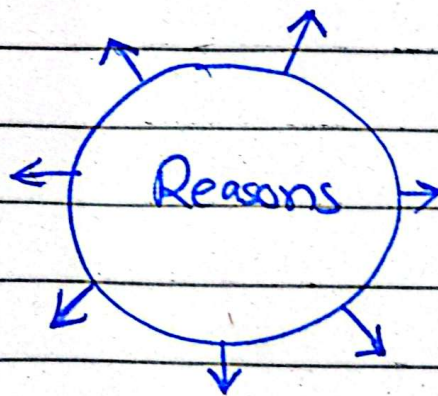

Non-militants

Insurgencies

Game of Thrones

rather Pakistan's

wellness

Attacks on delegates

US propaganda as debt trap

Provincial disharmony

i) Political instability on agreeing on one point for the wellness of Pakistan

ii) Musical Chair Game among political parties to secure positions for personal Gains only and rather for Pakistan's gain/benefit.

iii) Game of thrones of leaders to win throne despite only, without settling disputes with regions for stability.

iv) Non-militants attack on Chinese delegates

i) Karachi Airport Attack on Chinese delegates killing 2

ii) Terrorism and Insurgency in Pakistan causing to sluggish CPEC

i) BLA attacks on CPEC Project area

a) Attack on Gawador Port, 2024

b) Attack on delegates

vi) Provincial Disharmony especially Balochistan  
KPK and Islamabad.

a) Denial of providing resources to  
Balochistan.

b) Exploiting Balochistan resources and giving  
nothing in return, but getting lions-  
share

c) KPK's disagreement with CPEC

d) Balochistan disharmony with CPEC

vii) US propagandizing to make Pakistan  
believe CPEC as debt trap to  
curtail China's hegemony and  
reassure US's hold on Pakistan

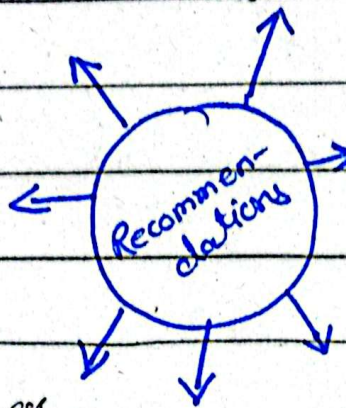

## 2) Recommendations to Reinvigorate

Exploit SCO  
Platform to  
gain benefit

Terminate Terrorism  
by negotiations

Improving ties  
with Afghanistan  
in SCO

Using RATS program  
for terrorism

Providing awareness  
to Balochis about  
CPEC

Bringing Reforms  
for Balochistan  
to ensure their rights

Ensuring BUA, TIP  
in trusts

i) Enhancing Ties with Beijing at  
SCO

ii) Utilizing the Rational Anti-Terrorist  
Support System for curtailing  
terrorism.

iii) Improving Relation with Afghanistan to inhibit TIP through SCO

iv) Ensuring Balochis of their rights through agreements

v) Providing Awareness of the benefits of CPEC in Pakistan and especially Balochistan

vi) Realizing Balochistan of facilities provided by CPEC to Balochistan

vii) Providing security to Chinese delegates by gaining trust of TIP and BLA

viii) Maintaining Bilateral ties with US and China through diplomatic relations.

Conclusion

## 1) Introduction

## 2) Russia - China growing Economic Collaboration

### i) Russia - China Trade

\$ 247 billion in 2024.

ii) Russia to Increase trade by 40% to China every year

iii) Trade in Rubles and Yuan instead of dollar

iv) Russia selling Oil and gas to China.

## 3) Russia - China growing Strategic Collaboration

i) China - Russia performing naval fleet experiments at sea of China - Great China Sea & Sea of Japan

ii) Russia - China performing air experiments ~~can~~ with each other.

## 4) Russia - China growing geo-political collaboration.

i) Russia purchased <sup>semiconductors</sup> L and collaborated

with China in Technology  
in Artificial Intelligence, ~~as well as~~  
Quantum Computing technology

ii) China purchased anti-ballistic  
missiles and other military weapons.

5) How Russo-China Collaboration  
is Challenging US-led world order.

i) Trading in Rubles and Yuan  
instead of dollar

dedollarization to curtail US-led world order

ii) Strengthening BRICS to curtail  
US-led world ~~was~~ order

→ BRICS model is attracting attention  
of central East like Turkey,  
Italy and now Pakistan, due to  
the sanctions applied by US

→ US Sanctions has led countries to  
find alternate resource.

i) → US Sanctions on Russia due to Russia-Ukraine war forced Russia to collaborate with China to become Superpower against US.

iii) Marketing BRICS currency against US dollar to destroy US-led order.

iv) Introducing alternate Banking System as US removed China from SWIFT list

→ Chinese Banking System CIPS against SWIFT

→ Performed 600 successful transactions using CIPS

→ Will Perform more 6000 transactions by CIPS to ensure its credibility

v) Sino-Russia Weaponary and technological war against US-led world's order

Conclusion
