If I know the answers, I will pass the examination.

v. All kinds of stationeries is sold here.

All kinds of stationery is sold here

vii. A little elegance is left in those arrogant youths.

A little elegance is left in this arrogant youth.

viii. The mother was herself searching in her young daughter.

The mother was searching herself in her young daughter.

Q.5:

A. Punctuate the following

passage:

a boy was gathering berries from a hedge when his hand was stung by a nettle smarting with the pain he ran to tell his mother and said to her between his sobs is only touched it ever so lightly mother that is why you got stung my son said she if you have grasped it firmly it would not have hurt you in the least

**Punctuation:**

04/05

A boy was gathering berries from a hedge when his hand was stung by a nettle, smarting with the pain, he ran to tell his mother and said to her between his sobs; "I only touched it ever so lightly, Mother." "That is why you got stung my son",

said she, "If you have grasped it firmly, it would not have hurt you in the least."

### Translation:

Few students, preparing  
for competitive exams, think  
that they will be  
the topper by only  
~~staring~~ <sup>gazing</sup> on cover of book  
or putting notes below  
the pillow in the night. These  
are the people who find  
sources in prayers after

preparing for two days.

The fact is that neither  
anyone has stick of magic

nor there is shortcut for

success. If they want

unexpected results \* unexpected

hardwork is also needed. So, next

time if you are thinking

whether to study or not,

by holding a cup of tea,

remember that success achieved

success doesn't come from shortcuts, it comes from rolling up your sleeves and putting in the hard yards!

Q.03

08/20

1. What can be inferred about the environmental impact of renewable energy production compared to traditional fossil fuels?

The production of renewable energy systems is a resource-intensive process that leaves a sizable environmental footprint. While traditional fossil fuels require rare earth elements whose extraction involves

environmentally damaging mining practices.

They not only generates significant greenhouse gas emissions but also disrupts ecosystems and exploits finite resources.

2. How far the electric vehicles (EVs) are environmental friendly?

Electric vehicles have potential to reduce pollution but their current lifecycle emissions suggest that they are not a complete solution to reduce the pollution.

Additionally, if electricity used to charge EVs comes from fossil fuels, their environmental benefits diminish significantly.

3. What challenge is associated with the disposal of renewable energy systems after their lifespan ends?

The disposal of renewable energy systems

Write 3-5 Sentences

after their lifespan ends, leaves a sizable environmental footprint.

4. Why does the article suggest that renewable energy is not entirely pollution-free during its operational phase?

The renewable energy is not entirely pollution-free during its operational phase because it is a resource-intensive process that leaves a sizable environmental footprint.

5. How does the article propose addressing the limitations of renewable energy?

According to the article, renewable energy is not the silver bullet for saving the planet. It is a complex, imperfect solution that requires careful management and realistic expectations. Only by acknowledging its limitations, one can hope to harness its potential responsibly.

Q.2: Precis  
Title: Politicians: Masters of the Political Stage

Avoid lengthy titles

the populace and more  
perfecting the performance

06/20

Precis:

Politicians become the  
masters of linguistic acrobatics  
near the days of elections.  
They made profound commitments  
to the sawed art of promises.  
Their promises are like  
autumn leaves which  
scattered generously before  
elections. Their crocodilian tears  
at public forums and  
rehearsed displays of indignation,  
never fail to keep their  
audience entertained. It is

Avoid examples

said that the pen is  
mightier than the sword,  
but in politicians' hands,  
a well-timed photo-op with  
a baby or a stray dog  
wields greater power than either.

Avoid examples

General Instructions  
Precis

Precis should be one 3rd of original passage  
Your passage should reflect the original idea  
Don't take direct sentences from the passage  
It is not the narration do precis  
Avoid Pronouns in Precis  
Title should be self-defining and self-explanatory to the passage

At last, the politicians class is less  
showing the public but more  
perfecting the performance. (95 words)
