## TRANSLATION

Life doesn't always follow a straight path. In our childhood, when we were free from worries, every moment felt like a happiness and playtime. But upon entering into the youth age, the burden of realities made realized us about our responsibilities. The dreams of our past, that we once envisaged, now sometimes become the reality and sometime as distant as stars. People who learn from the past mistakes lay the strong foundation for the future. Appreciate the present<sup>time</sup> as it is in our hands. It is only the present that can change our destiny. Remember: Time doesn't wait for anyone. But who appreciate the value of time, it ~~will~~ opens the doors of success on them.
