

Follow the Given Instructions to get Good Marks in Precis

- \* Understand the original text thoroughly before attempting to write a precis.
- \* Determine the central theme or message of the text.
- \* Avoid copying sentences directly from the original text. Express the ideas in your own words.
- \* A precis should be much shorter than the original text (in Single Passage). Aim for about one-third the length.
- \* Use clear and simple language, avoiding jargon or complex sentence structures.
- \* Use short, straightforward sentences to convey information effectively.
- \* Prefer active voice over passive voice to make your writing more concise and engaging.
- \* Choose words that accurately and succinctly express the ideas.
- \* Avoid unnecessary words or phrases that do not add to the meaning.
- \* Present the information without adding your own opinions or interpretations.
- \* Ensure your precis is well-written and error-free.
- \* Don't write in 1st and 2nd person Pronouns in Precis

✓ Status-quo rather than serving the people. These theatrical skills are noteworthy. Shedding tears at public forums or rehearsed display of indignation never fail to keep their audience entertained. Their performance are carefully crafted to manipulate public opinion and distract their actual policies. Ultimately, it is seems that, they are not serving the public but more perfecting the performance.

disposal of Renewable energy system like solar and wind turbines typically ranging from 20 to 30 years. As they reach the end of their utility the question of disposal become critical because Recycling these components is neither straightforward nor widely practical resulting in the accumulation of toxic wastes, the green promise of Renewable energy tarnish.

#### (iv) Answer

This Article suggest that renewable energy is not entirely pollution free. During its operational phase because solar panels requires rare elements like cadmium and tellurium, similarly ~~demer~~ Wind turbines demand vast quantities of steel, concrete and rare Earth magnets.

Manufacturing these components generate significant ~~thred~~ Green House gas emission, disrupt ecosystem and damage finite resources and these Renewable energy systems require vast expanses of land, potentially displacing local wild ~~life~~ life and communities.

## General guidelines for Comprehension

- Read the passage carefully to understand the main idea, tone, and context.
- Identify key information like themes, arguments, dates, and names.
- Analyze the questions to know exactly what's being asked.
- Answer briefly and directly, staying focused on the question.
- Support answers with evidence from the passage (quotes or paraphrasing).
- Avoid adding personal opinions, rely on the text's content.
- Organize your responses logically, with clear points.
- Be concise and stay within the word limit.
- Don't over-interpret—stay true to what the passage conveys.
- Review answers for clarity, grammar, and accuracy if time permits.

This Article <sup>addresses</sup> the limitations of Renewable energy by reducing consumptions, improving energy efficiency and diversifying the energy mix. It requires careful management and realistic ~~apart~~ expectations. By Acknowledging its limitations we can hope to harness its potential responsibly.

Qno4:- Correct any five of the following sentences

(i) I will complete this project by this tomorrow.

(ii) If I knew the answers, I would pass the examination.

(iv) Looking through the view-finder, I saw some strangers standing at the door.

(v)  
All kind of stationaries are sold here.

(vi)  
There has always been a fight between the devil and the divine.

## Q no 5

03/05

A. Punctuate the following passage

A boy was gathering berries from a hedge, when his hands was stung by a nettle. Smarting with the pain, He ran to tell his mother, and said to her, Between his sobs, "I only touched it ever so lightly", mother, "that is why, you ~~have~~ got stung my son," said she, "if you grasped it firmly, it would not have hurt you in the least."

B. Re-write the following sentence (only Five) after filling the blanks with appropriate prepositions.

ii. I am broke with him because he is

02/05
