Précis Capitalize only one letter of the word in title

Title: **P**OLITICIANS ACTING
SKILLS ✓

06/20

The author says politicians use integrity to sheld themselves, when they are confronted with questions they ^{use} complex, evasive phrases to sound like an intellectual

Understanding of the idea is ok

Title needs improvement.

Grammar is ok.

Work on Spellings

and avoid questions. Therefore people do not ask them. The promises which they make are forgotten after elections results; they do not deliver anything. They have wonderful acting skills, which is evident how they manage to cry in public. They also know how to gain attention, by using every opportunity they get. They also have a talent to preserve themselves, like a chameleon, they change their ideologies, as per need of time. Therefore politicians have mastered art of acting, rather than serving populace. (106 words).

Follow the Given Instructions to get Good Marks in Precis

* Understand the original text thoroughly before attempting to write a precis.

* Determine the central theme or message of the text.

* Avoid copying sentences directly from the original text. Express the ideas in your own words.

* A precis should be much shorter than the original text (in Single Passage). Aim for about one-third the length.

* Use clear and simple language, avoiding jargon or complex sentence structures.

* Use short, straightforward sentences to convey information effectively.

* Prefer active voice over passive voice to make your writing more concise and engaging.

* Choose words that accurately and succinctly express the ideas.

* Avoid unnecessary words or phrases that do not add to the meaning.

* Present the information without adding your own opinions or interpretations.

* Ensure your precis is well-written and error-free.

* Don't write in 1st and 2nd person Pronouns in Precis

Comprehension

(1) The notion that renewable energy production saves the planet and eradicates pollution, is an oversimplified solution. The production of renewable energy ~~stem~~ systems is a resource intensive process that leaves a sizable environmental footprint. They generate significant greenhouse gas. Therefore compared to fossil fuel, they are imperfect.

Spelling

(2) E.v vehicles are lauded for environmentally friendly image, but production results in significant pollution. They require raw material whose extraction requires environment to be polluted. Furthermore e.v life ends quickly and it's batteries need electricity to charge. which require fossil fuel. Therefore e.v do not reduce pollution.

(3) The problems associated with disposal of renewable energy is that recycling them is not straightforward. This results in toxic waste. This is a problem associated with disposal renewable energy.

Date: _____

Day: _____

(4) During the operational phase of renewable energy, the renewable sources like solar and wind mill can not operate alone. Due to their intermittent nature they need back up from fossil fuel or battery. Similarly, the space ~~as~~ they require results in displacing wild life and communities. Therefore they do not operate without contributing pollution.

(5) The article suggests that instead of blindly heralding renewable energy a energy mix system should be adapted. which would reduce energy consumption and energy efficiency.

Translation

04/10

While preparing for competitive exams, there are students who believe that by focusing on cover of books or keeping it under pillow, they will become topper over night. These type of people after preparing in day, also pray for success. It is a fact that no one has magic nor does anyone have shortcut for success. If you want extra-ordinary results you need Sentence structure to make extra-ordinary efforts. So next time if you are in doubt whether "I should study or not", remember success comes through hard work and dedication, not through shortcuts.

Attempt in idiomatic and proverbial manner

Focus on grammar please

Do not attempt word by word
