# QUESTION NO. 2=

## Syrian Change

ntroduction -The toppling of the Assad in Syria had been a longstanding goal for many oppositions groups and international powers. The regime, led by Bashar al-Assad since 2000, had faced growing internal and external pressure, particularly after the outbreak of Sysian Civil Was in 2011. These are several reasons, contributed to the downfall of Asad regime including use of the boutal force against civilians, authoritorianism, Economic mismanagement and sociarian divide etc. This downfall had profound implications for the wuntry, region and international community including sise of extremist groups, Humanitarian Crisis, Social and economical challenges, and impact on refrigees.

	4) Sectarian divide during Pssad's regime:
2	4) Sectarian ourile and
	Assad's regime :-
-	- The state of the

The Assad regime was from the Alawite sect, an offshoot of Shite Islam, while the majority of Syria's population was Sunni muslim. This sectarian divide had been a source of tension. The 2011 protests, evolved into a broader opposition movement, with many lunars calling for a movement.

2-5) International & Regional Dynamics:

The international community supposted opposition to overthrow Assad.

The U.S. imposed sanctions on Assad regime, including restrictions on trade and military equipment.

Saudi Asabig and Qatas provided financial suppost to Sysian Rebel groups.

3) Implications for unprecitended change in Syria:

	The key implications are:
	3.1) Potential Rise of Extremist
	Groups :-
	A sudden collapse of Sysian's Assad
	regime would again provide a breeding
	ground has extremist groups. This could
	ground for extremist groups. This could make Syria a more chaptic and dangerous

	2014 in Syria, controlling significant
with the same to	parts of country, including Ragga
	and large parts of Deir ez-Zor.
	3-2) Humanitarian Crisis in Syria:
	A post-Assad Sysia would require
	imense humanitasian aid too reconstruction
	resetting displaced people and addressing
	al contructure damage
	"Neadly half of Syria's population
	"Nearly half of Syria's population have been forced from their homes."
	(UN)

3-3) Social & Economical Challenges in Syria: Sysia would face enormous challenges in rebuilding its economy and infrastruiture. Social unsest could continue as Sysians stouggle and would require international financial support. The economic collapse in Sysia during civil was resulted in-- Infrastructure Unemployma essential sexu 4) Conclusion of the Assad regime Wine 8 sides at 16 as been driven by a combination of authoritarian rule, economic mismanagem ent and boutal expression etc. The downfall of Arrad would execute a set of challenges socially, economically and politically, like to be positive and regative for country and the region.

### Question No.6 :-

#### 1) Introduction :-

Tension between Islamabad and kabul have escalated due to several inter-related factors, ancluding cross-booder terrorism, military actions, and shifting diplomatic relations. As of January 2025, tensions between Islamabad and kabul have intensified. The TTP is using Afghan land as a source of textor attacks. To ease tensions of this tessosism between Afghanistan and Palcistan, both countries need a. diplomatic engagement, bosdes security cooperation, system of combating the texposism and promotion of people-to people ties. Because thousands of peole have got martyrdom since these attacks. So, these must be prevented to stop human losses.

2) Current situation of the Islamabad-kabul Tension:

# Q.1) Surge in Cross-Border Terrorism:

The Tehrik-i-Taliban Pakistan (TTP);
operating from Afghan territory, has
inixeased attacks within Pakistan. In
2024, over 2500 people were killed
in terror incidents, a significant rise from
the previous year. The TTP has utilized
sophisticated weapons left after NATO's
withdrawl and benefited from release
of imprisoned figures.

#### 2-2) Pakistan's Military Response to TTP attacks:

In reaction to the TTP's activities, Pakistan has conducted military operations targeting militant hideouts in northwest regions.

In January 2025, Pakislani security forces killed 19 people (msurgents) in reparate roads in Perhawar, Mohmand,

and kasak districts, though three soldiers lost their lives during these operations

2-3) Diplomatic Strains & Accusations:

The relationship between Pakistan and
the Afghan Taliban has diteriorated,
with Islamabad accurring kabul of
harboring TTP militants. Despite
Pakistan's requests, the Afghan Taliban
has been reluctant to act against
TTP. Conversely, Afghan authorities
have accused Dakistan of supporting
Daseh (ISIS), allegations that
Islamabad has fermed "unwarranted
and irreesponsible".

### 2-4) Shifts in Regional Alliances.

In January 2025, Indian and Afghan officials held a meeting to discuss business and humanitarian oid, including the use of trans Chabahar port for trade. This development has raised.

concerns for Islamabad.

3) Summary of the key points about current situation of Islamabad-kabul Tension:

1
