Question. no 7

Best fragrance of the world is not present in a single forest/park, in fact, it is hidden in the heart. Sometimes, we are finding cost of life into things, but, in reality, biggest happiness of our lives is there in the corner of our heart, which happiness is absent in the extravagante life. The moment when we get success and touch it, it feels us our inner soul. We often ignore our small happiness, and summing behind the big one. However, when we hear our heart, we find that happiness is actually come from the things that we easily get.
