Q1

Translation

Life does not always move straight ahead. By the childhood when we were unstrained, every second of the time seemed happy and playful.

But while entering into youthfulness, reality checks realized us of our responsibilities. The past dreams,

which we hovered, now sometimes become reality and sometimes stars

of the sky. Those who learn from the mistakes of past, they have a strong base for future.

Acknowledge the present, because the moment we just have, will

change our destiny. Remember, time waits for none, but those ~~one~~ who values time, it opens door of success for them.
