	07: BUDGETING	
- 3/2		
	4 151	
	1. Introduction:	
	d budget is a	
5 g K=	Comprehensive outlay of Expenditures and	,
	revenues of a specific fiscal year. It is	•
1,	formulated in order to keep a record.	
	of Where The Revenues are Collècted	7 349
	from and approximately how much	
	are the expanditures. Various types of	
	budget involve the item budgeting,	
•	zero-base budgeting. Dissensus budgeting,	
	Performance based budgeting. Budget	<u> </u>
	II V.	
	Tells aboût the expedies déficits or surplus	
	in that fiscal year. However, budget can,	
1	definitely be used as a policy and	
	mangerial tool.	
	0	
	and the second the second second	
	The budget is not just a	
100	The subger is	-
	Collection of numbers; but an	
	Capression of our Values and	
	priorites"	
, S	Barrak Obarna.	A CONTRACTOR

	7
	2. What is Budgeting?
	U J
<u> </u>	Budget is a plan of proposed
	revenues and spending outlays for the
	Coming fiscel years It sets forth the
	in dicate the policies and provities of
	a government. I was developed
	budget:
	Reveals: The body desire
	Reveals: The policy decisions of the
	Presents the financial plan For
	revenues and expenditures
	Reflects the operational plan of
	the government
	Is a Communication device between The
	government and The public

	3. Jypes of Budgeting:	
	11 0 3	
	3-1- Line-Item Budgeting:	
· ·	JJ	
	This is a traditional approach of.	
	allocating funds to specific line items	
	or categories. It shows the comparison	
	between the financial data of the past	Ą
	budgeting periods and estimated figures	
	of current and Juture budgels.	
4	This technique is presumedby	
	less time consuming because the budget	
	of a given year largely depends on	
	the existing budget.	· · · ·
	and the state was a second a state of a second	
23.	"Une item budgels are seen in	
	many poblic sectors of Pakistan	•
	as a go-to method; owing to	-
	their simplicity, but they often	
	fail to address the broader	
	questions of efficiency and	

	effectiveness of resource	
	allocation"	
	: Tribone	
· ·		
	3-2 - Zero-Based Budgeting:	
	and the second of the second of the second	
	It refers to the idea of drawing up	
	budget with no reference of the part	
	at an a suitain a fresh surement	
	of methods and spending of	
	resources. The budget makers start	
	From Grown Zero. The exertials of	2.
	Tero-based budget are:	
	Don't Chaire Torre on the other code view	
	Decision Units - Focus on Apecific activities	
	9m & Costs	
	Decision package - Identify and	
	Jostify au expenses	
	Ranking of all decision packages -	
	Prioritize expenses on the	
4 10	basis of their importance

	6- Conclusion:	
77		
	Budget, indeed presents a clear frame-	
	hour of neveries, expenditures and	
	fiscal expenditions of a specific fiscal	
	year. Depending on the priorities of the	
	government and the time, it + can be	
	Chosen from Uneitem zerobased or	
	performance based budget. It can be used	
L	both as a policy tool and as a	
	mangerial tool according to the need	
26.0	and requirement of the plan.	

dear student if your writing speed is ok then it is fine but conclude the answer on 8th page max over all answer is fine 12.20

	Q8: Administrative Reform. En
	1. Internal of the second of t
	1. Introduction:
	A. The second se
	Administrative reform refers to a
	Complete shift in the working, staucture
	and function of the 20 to administrative
	machinery. It is not merely restricted
	to the reform in the Structure of the
	c'vil service, su also expands to the
	applications of Privalization, Regulation,
	De-regulation and Decentralization in
	the organization. These practices are done
1/	in order to improve the overall functioning
	of the administration and the to generate
	maximum benefits. They involve structural
	reforms, Process reforms, Personnel
	Rejoins and Finance rejoins
	bemacy . They aim to improve efficiency
	chances accountability, better Bervice
	delivery and increased citizens
	padicipation.

	2. Administrative Rejorm: - a	
	Reform in Structure of Civil	
	Service:	
	and the second of the second o	
	According to the traditional view,	
	administrative reform focuses on	-
	improving the internal hooking of Civil	
	Services and the government agencies,
