

## Question. 01

The Contemporary Challenges of Muslim Ummah and their Solutions.

## 1- Introduction of Question

Muslim Ummah has been facing numerous challenges due to various reasons. Muslims are facing threats of external and internal. Unity and collaboration is one of the major reasons.

"All men are equal in the eye of Allah SWT"

The context of Quran (ii) Lack of equality and justice is also reasons. External factors are also hinder the prosperity of Muslim ummah. They spread the concept of islamophobia, which is threat to muslims.

## 2- Contemporary Challenges of Muslim Ummah

### (a) Internal Challenges

There are few challenges which are internal of muslim Ummah:

#### (i) Lack of Unity of Muslim Ummah at large scale

In modern time, people are not helping each other, they do not show the brotherhood and unity.

“All muslim are brothers make unity do not be a part and create sects” Al-Qur'an

#### (ii) Muslims are lagging behind in the field of technology and science

After the 1700s there are little scienhit in the muslim community and there are lack of interest

(v) Death of Arab nation  
- unity and rise of  
stationarity

Death of Arab national spirit  
just for the sake of balance  
and diplomatic intervention of  
the arab country is standing  
for the Muslim ummah;  
even though they had the  
prevalence than the land of prophet.

### 3- External threats or Challenges

There are few external  
challenges for Muslim ummahs:

#### (i) Western Domination

The rise of western domination  
has challenged the whole mus-  
-um community. They had  
the negative opinion about  
muslim culture and practices  
which had led them to suppress.

#### (ii) Proxies wars

Muslims has been fought various  
proxy war and there wars

Day: \_\_\_\_\_

These proxies has fought for the USA and the USSR.

### (iii) Israel terror on Muslims

Israel is the biggest enemy of Muslim Ummah. It has crossed the limits and martyred approximately 45000 people in one year.

### (iv) Propagand and narratives against Islam: Islamophobia

Post-modernism and era of the social media is used by the biggest powers of the world for their benefits and they spread hate against Islam.

### (vi) Lack of strong policies

Muslims are lacking behind when the question of strong policies come.

## 3- Solutions of these challenges

### (i) Education awareness

Education awareness are needed

are fought for the two biggest powers including the USA and the USSR.

### (ii) Ensure women rights.

Women rights must be ensured by government of muslim states. Women have their basic human rights and they must get fundamental rights.

### (iii) Rejuvenating OIC

Organization of Islamic conference has need to revive and make some strict policies to ensure the power of Muslims at globe.

### (iv) Unity and support each other at global level

Unity and support is the sign of a true muslim, everyone must help each other and show concerns about other muslims brothers also to show unity.

### (v) Advancement in technology

We muslims are lacking in the technology which is our
