	CRUFSTION 5:-	
	1	
I	Introduction:	
1	Pakiston's current population	
	has reached to 240 million	
	in 2.25. There one been a	
	consistent rise of 1.9% in the	
	population since last 3 years.	
	The great emploison of population	
	is a huge challenge for the	
	country's management. It is	
	proving a challenge socially,	
	Consmically and politically	
	The development and well-being	
	of such a great number of	
	people is entre by difficult with	
	a deteriorating economy and	
	grave Security issues	
	V	
	Population Explosion, a great Challenge:	
	Cl. III	
	Chauenge	
		100

	The country's very fast	
-	growing population is acting as	-
	a hurdle in the country's	-
-	development. Managing such a	-
	huge population requires resources	1
	Stability and far-sighted ess, all	/
	The huge 24 million + number	-
-	of people last of which are	-
	Leving their lives below	-
	a great expense of	1
	the country's growth and treasing.	
	History and the second	
	Implications of Pakiston's	
	Population Growth:	
	The roul	1
	of Pakisten have no population	4
	of Pakistan have neg me impach on the socials ecouric and	-
	DOULLER OF Floor	4
	country. Some of the implication	-
	are as follow:	-
		\dashv

-	Impacts of Population growth on Social growth:
1	on Social growth:-
+	D 1 11
1	1) Rise of intolerance and
1	hustration among nation:
1	There is a rise of intolerance
	among the citizens howards their
	fellow citizens. The frustrations and
	arger due to posi economic
	Condition creates mutual habed
	among the masses towards the
	government official and howards
	each other to rise of domestic
+	abuse, family rivalries and poor
+	Social System is the cause of
	uncompulled population.
2	Increased violent activities:-
	As the proper are not
	able to feed tremselves and
	with no sound sewity programs
	there is a rise of violent and

	Criminal achoises in the country.	
	The entire population is involved in	
	get more the staggering economy.	
-)		-
	Insufficient Public resources:	
	resources and unequitable distribution	
	the social system of the	
	Country and the burden the	
	the country.	-
	Impacts of Population as 4	+
	Imparts of Population growth on Political development:	-
1)	Greater cost for conducting	
	elections:-	
	for conducting the basis political	
	proless of elections is a great	1
		100

N()	
	rost for the treasury of the
	country. Undergoing such great costs with a rapid growing
	na lation is a great Challerge
	in he political development of
	the country.
2)	Dithulties in catering to the
	This is a huge challenge
	for the election commission of
	Pakistan and the elected government
	of all great position that
	of Pakistan. It creates political
	dilemma in the country
3)	Challenges in Political Reforms
	The greater the number of
	representatives in the introment and sendle makes it difficult
	to come up with all-agreeing

	reforms passed with majority As
	The greater he number of melindual
	greater disposity among political
	opinion, so it makes cuthaut
	to come up with all en-companying
	Political reform.
(-13.22)	Implications of Population growth
	on Economic development:
1)	
/	Lack of Francic resources:
	the country's Clonomic
	resources one not capable of
	Cating to a significant population
	vise of 1.9.1 every year So
	10(11 0)
	1407 10
	Such a great number of people
2)	Rise in Umemployment.

	Conclusion	
	Pakiston's population implosion has fatal impacts on its	
	Economy, political system and the social system all in all	
	The country's ecomonic system and government institutions neither	
_	have he resources not be capacity to cake to such a huge number	
_	of citizens. It is high time to formulat policies to Strategically and	
	services manage the population	
	Cris in the country	
_	CRUESTION 4:-	
	In troduction: -	-
	Seen a constant relationship of	
	muhial rivalry between them.	

	With myltiple armed conflicts and
	With mary with the sale
	cross-border violations, Pakistan and
I	India have stained relations ever
	Since their inception. The core hone
	of contention between has been
	The Keshmix sue ever since
	independence his issue is the
	(ore of the rivalry between them
	Though many instatives have been
	taken to sesolve it but all
	proved in vain so for
	The Kashmix Assuc:
-	The Kashmix issue & is
	the main issue between the
	two nuclear powers of South
	Asia Maxing borders with each
	other and with Kamir, buth
	the countries have they claim
	on the great of Kashmir. This
	has been there since their
	independence in 1941

<i>3</i> =		
*	Background of Kashmix	1
7	Assuc:-	
	The Kashmir issue began between	
	the reighbouring countries of	
- Control of the Cont	Pakiston and India, ever since	
	New inception in 194. Both	
	Countries hold by claim over	
	the areas of Jamme and Kushmid	
	in the northern part of Pakistan	
	At the time of its inception,	
	Kashmir was given to India	
	despite it being a Musim	
	majority area + so I lia entered	
Caracana	its forces and book a hold	
	over it. Pakistan maintain ili	
	Claim over Jammy and Kashmy	
	ever since.	
*	United Nation's Resolution	
With the second	Pakistan to bot this he	
	The state of	1
	Joue to the gentral assembly	
	H and the second	

	`
	and security council in the United
	Nation and Clowned it's right
	over the regions of Tommu and
	Kashmir, The United Nations
	passed a resolution to hold a
	plebscike it amorn and Kashmir
	to learn the opinion of the people living there. Decades have
	passed but he plebsite was
	not held.
*	Independent status of Jamma
#_	Independent status of Jammu and Kushmir:

	India revoked it's orbicle 370 of the Indian conshhibon hat gave Jammy and Kashmir a special stakes. It revited he Stakes and autonomy and brought In both he was under it's othical lenitory by creating on
*	And Kushmix:- India revoked it's orbicle 370 of the Indian constitution that gave Jammu and Koshmix a special states. It revited the Status and autonomy and brought the both he was under it's official lenitory by creating on agen-au pision in Jammu and
*	India revoked it's orbicle 370 of the Indian conshhibon hat gave Jammy and Kashmir a special stakes. It revited he Stakes and autonomy and brought In both he was under it's othical lenitory by creating on

	Discuss the current developments as well
	Prospects of Possible Solutions The possibility of resolving
	the Kashmir issue is very complicated and it's respects
	prospects to solving and &
	forming a mutual Solution ore as follows:
1)	Mediation from International Community:
	The Kashmin issue can be resolved if the international community places a strong roll of
	the hus river states: It has
	resolved with he help of

2	Regional Organization used as	
L	a stepping stone:	
L	The parkupation of both	_
L	India and Pakiston in regional	
	organizations can pose as a	
	Stepping step stone towards the	
	solution of the issue that has	
	been persistent for last	
	seven decades.	
3	Formation of solution by	
	UN accepted by both:-	
	The security council and the	
	general assembly can play he	
T	rule of arbitator and formulate	
1	a solution or resolution occepted by	_
-	both to resolve the ever-existing conflict between India and Patistan	
-	Conflict between India and Patistan	
		-
-4	The cross-border violations:	
_	The cross-border violations	
	heed to be stopped and keep	
Feb	man reg	

		The state of the s
7/	a check on to form a se	
7.1	relationship between both 1 countries.	1
75	the deadlock in the transport and the violations need to be simproved	1
»	for he Kasmir issue to be resulted	_
	Challenges in resolving the Kashmir Issue:	-
1)	Deadlock in Dialogue: The Strained foreign relations	
	and deadlick in dialogue between	
	the his countries make it	-
	with a mutual olupra accepted	
<u> </u>	by all. The issue has been out	<u> </u>
	falks before the contrie.	_
2)	- 1 - 1 - 1 - 1 - 1 - 1 - 1 - 1 - 1 - 1	-
-2/	Trust défect between both ne countries:	1

	R. H. H. a.
	Feelings of trust buards each
	other. The cross - border violations are
+	one of the reasons, he involvement
	countries is also another reason for
	the lack of trust. This proves a
	hindrance in solving the Kashmir
	issul -
3)	Blane game between both
L'	be countries:-
	Indea and Pakiston both
	Debuties in other for terrist
	along bordering raions. The
-	Mumbai attacks in India and
	Brolia's a border violations makes
	both the countries.
	THE COUNTRIES.

	Conclusion	
×	Pakisten and India Can resolve	Ì
	the Keshmix Sure with Support	
-	from International comments and
