************	write heading on a single line	
	THEORY OF SEPRATION	
	OF POWER	
	by Montesquieu	-
	montesquies was considered to be the	
	Anistotle of the 18th contary. He wrote	
	nis famous book known as the Spinit	
	of laws. In this book e wrote on working.	
	of the political systems and their	
_	relations. He presented his various theories	
	on subject of sepration of power between	
	the government functions and their	
	enecks and bollances, Judicial indepen-	
	dance, judicial activism and parliamen-	
	tary supremacy.	
	do not leave blank lines	
	Montesquie's famous theory was the	
	sepration of power between the three	
	piliars of the government functions.	
	He formulated the impartite division	
	of government working. He developed	
	this idea of three pillars and their	
	seprate distinct role while he was in	
	the united Kingdom. He observed	
	that the people enjoyed civil rights	
	and liberty. Observing the functions	
	of the state he concluded that it	

DATE://	
was the smucture of government working	7
-man people enjoyed their fundamental	
riguts protection. He observed that	
the government had three pillars	
i- legislature - law making body	
ii- Executive - law implementation	
body	
iii- Sudiciary - law interpretation	
body.	
He observed their seprate distinct	
role independent of each other to	ر ــــــــــــــــــــــــــــــــــــ
maintain justice and fairplay	
while having I the checks and	
Balances' of each pillar on every other	
pillar maintained no body as	
absolute authority because	
Absolute power corrupts Absolutely	-

The TRICOTOMY OF POWER'

DATE:	<u> </u>	
-------	----------	--

Theoratical framewor	K:
Montesquieu proposed	that Sepration
of power proposed en	sures Individ-
ual liberty, while i.	f there is
any two powers amal	gamated, the
system becomes unsi	able, he proposed
That	
i- if there is only lea	listature and
one cutive exercising	power, will
head to tyranny.	
Executive - legislati	ure = Tyranny
ii- Judiciary and end	leads to
ii- Judiciary and each	judical control
on governeut funct	ion and individu-
al liberty.	
	10011 1710
iii - Judiciary and !	leads
to Oppression by Ju	dges
0 5	J
iv- and the mix of	all three
pillars leads 1	so individual
liberty at all.	
Executive-legislate	ive - Judiciary =

l l	DATE://_	7555
	because	
	Power halts Power'	
۰	But he observed that people in the	
	united kingdom shu enjoyed their	
	individual lineity. He deeply	
,	Studed the institutions and wonder	
	ed if complete sepration of power	
	was possible. So he proposed his	
	Theory of 'checks and Balances!	
	V 1	
	THEORY OF CHECKS AND	
	BALANCES'	
	montesquieu proposed that	
	. Judiciary is independent of conrol of	
	other branches, excep that legislature	
	can be supreme court of appeal in	
	order to mitigate sentence of law	
	11

LARL MANRY DOLLING	
KARL MARX Political	-
thought	
write the first heading as introduction	
Karl marx was the founder of modern	
Socialism. His theory Martiet	
matorial dialectism came as a	
response to Hegel's dialects of	-
ideas. Mark proposed its not the	
conflict of ideas rather its class	-
conflict that brings change and	
revolution. His theory is based	
upon materialism and he was	
the critique of capitalism. He	
proposed the theory of surplus	
value to explain the exploitation of	-
workers under Capitalism. His	
Ineory of Super class structure	
explain the conflict of materialism.	

1. Means of Production of Prodo

Economic Foundation

DATE: ___/__/_ Functions of the Super Structure: Karl mary proposes that the Super Shucture of class has two functions 1 Tustification of class difference of relations of production mainiains the Relation of Production - the heapmony of upper class and the exploitation of lower dass Process of Revolution and the classless Society: -> Revolution Step: 1 change is bound to happen marx proposed that the exploitation lower class brings up revolution in capital societies Revolution Redundancy Step 2: Maximization of in capital Profit and cost mindset cutting employing decreasing machhery labor ově supply Demand & Supply wages decrease 17/17

	in modern societies.
Demerit	:. It also risks populism and the
	idea of majoring is authority.
	Representative democracy:
	* Efficiency
	- In contact , representative democracy
	is more efficient for large population
	and complex governance structure
	of the modern nation states.
	* Informed Decision-making
	: Elected Officials delibrate and
	informed decision making on
	bellast of their constituents,
	bringing exportise and efficiency
	to procors.
	* Demerit: Political Deatchment of
,	Representatives
	Representative candidates may not
	completely represent the needs
	Of their people or may chor promote
	their self interests and get involved
	in corruption and lobbying.
	POLITICAL ACCOUNTABILITY
	4 Direct democracy
	· Accountability lies directly with
	people themselves since unizers
