

Q-2 Make Precis

Title:

The Price of Progress: Moral Decline
in Modern Civilizations

Modern Civilizations have progressed, yet suffers from moral decay. These Civilizations are obsessed with material ~~wealth~~ and endless desires. Societies now prioritize wealth and profit over character and honour. Societies are progressing by building ~~the~~ glass tower and markets are booming, yet they lack morals. Home, school and even places of worships, which once guardians of virtue are now chasing material gain. Trust between people weakens and true contentment faded. Without revival of ethnic values, this glittering prosperity will only result in ~~the~~ the decline of humanity.

Q-3 Read the following passage

Q-1- Why^{do} Arab leaders change their attitude towards pak after the conflict?

Ans:- Arab leaders observed the conflict between India and Pakistan. They changed their attitude towards Pakistan after watching the dominance of Pakistan in conflict and how effectively Pakistan used digital warfare against India stunned them.

Q-2- How did the blackout in Delhi influence the psychological state of India during conflict?

Ans:- The blackout in Delhi disrupted the communication and caused panic in India. India was not ready for this and expecting Pakistan as a weaker player. The blackout spread fear among Indians and India realized the power of Pakistan.

Q-3 If Pak had not launched digital warfare after missile retaliation, how would the conflict have turned out differently?

Ans:- The use of digital warfare after missile retaliation did not allow India to counter retaliate immediately. It paralyzed the communication system, satellite network and air defense radar that forced India to think before counter retaliate.

If this was not used by Pakistan, the

War could have continued a little longer.

Q-4, Ans:- Digital warfare is far more dangerous than traditional military force. Pakistan used its traditional military force in the relation, but immediately after that, Pakistan used digital warfare that bowed India to knees. The use of digital warfare was in this way a decisive action.

Q-5. Ans:- The changing meaning of power in 21st century is to believe that the power is not merely a military force. The power lies in the digital warfare which Pakistan used against India and restored its respect and dignity.

Q7 Translation.

An old lady Margaret goes to the embankment train station daily just to hear the announcement of "mind the gap" in the voice of her late husband Oswald Lawrence. This announcement was recorded in 1970 and Margaret used to feel closeness of her husband by hearing the announcement after his death. Margaret contacted transport for London in 2012, when this voice was
