Moral Decay and Modern Civilization

Title: "The illusion of progress  
and decline of Moral values".

Overall idea is ok  
Title needs improvement.  
Grammar is ok.

Despite the outward brilliance of modern civilization, a silent moral decay undermines its core. Obsessed with speed, wealth, and endless desires, humanity has replaced virtue with materialism. Values once grounded in character and conscience now bow to profit and gain. Homes, schools and even places of worship, once guardians of integrity, are compromised by the lure of wealth. In this new order, fairness is forsaken for advantage, affection is measured by benefit, and intellect is misused for greed. Modern progress teaches man to acquire, not

Arab leaders changed their  
attitude towards Pakistan because  
they were deeply impressed  
by Pakistan's mastery of  
digital warfare and its  
disciplined conduct during the  
conflict. This marked a significant  
departure from their previous  
disdain, and led them to  
regard Pakistan as a formidable  
power in region.

Ans: 2

Explain more by following the original passage

The blackout in Delhi caused by Pakistan's missile retaliation paralyzed communications and spread panic throughout the Indian capital.

Ans: 3

If Pakistan had not launched digital warfare, the conflict might have continued as a conventional military engagement, possibly escalating further. Without disabling India's command systems and communication networks.

Ans 4:

Traditional military force inflicted immediate damage, but digital warfare proved more decisive by neutralizing enemy capabilities without further physical combat, shifting the battlefield and ensuring strategic superiority.

This Thatcher had resigned  
to prime minister in 1990,  
but even after stepping down,  
she remained a powerful

ideological voice in British politics. The sense of loss was profound, her critics and supporters alike acknowledged her towering presence.

In 2012, a documentary director working on a project about her legacy noted that Thatcher's voice had to be recreated using digital recordings, and no new interviews were available after her demise.

The transport department issued a formal statement of Condolence, and it was publically announced by media in the same solemn and iconic tone as her previous speeches from 1970s.
