QUESTION # 5A

PUNCTUATION

As the rain poured down over the flooded city, Adeel whispered to his friend, "Did you hear what the Mayor said today?" His friend looked puzzled and asked, "What did he say?" Adeel replied, "He said we ignored warnings for years and now, the city is paying the price. Those were his exact words." People around them sighed, and one man muttered, "It is strange how leaders only speak the truth when disasters strike."

Answer of Q2:

The blackout in Delhi influenced the psychological state of India during the conflict by paralyzing the communication and creating an atmosphere of panic in New Delhi. This ~~comm~~ paralyzed communication further escalated

Date: _____

~~paranoia among general public towards the state. The air of fear and communication gap due to black out gave Pakistan an upper edge in psychological warfare.~~
X ————— X

Answer to Q3:

If Pakistan had not launched digital warfare after missile retaliation, the conflict would have expanded to many days. Strikes and counterstrikes across the border would have been the new normal. Moreover, enemy would have found a breathing space to exploit internal rifts of Pakistan to their advantage. But the prompt, efficient and targeted digital warfare changed the outcome in Pakistan's favor.

try never to deviate from the basic ideas of the passage

X ————— X

Answer to Q4:

The role of traditional military force, as discussed in the passage was to restore deterrence and show that the country can defend itself and retaliate with proper might. While the role of digital warfare was more psychological, that is, to create communication gaps, prevail an atmosphere of panic and paranoia and to disrupt command systems so that enemy cannot act or react timely and properly.

Aim of both was same but one was physical other psychological. In my point of view digital warfare was more effective.

Date: _____

as it was difficult to counter it. Moreover, enemies are not defeated by rifles and tanks but by breaking their courage and vigor, which was only possible due to digital warfare.

X ————— X

Answer to Q#5:

By reviewing the events of 10 May, 2015 as a turning point, it redefined what it means to be a 'power' in 21st century. Power is no more limited to sophisticated missiles, bombs or to economic growth. Power is linked with the ability to retaliate and respond if ~~measured~~ with. Pakistan restored its compromised esteem after the incident but India lost its diplomatic standing, though it has secured economic growth and had sophisticated military technology. So, 'power' is the capacity to defend and retaliate in face of crises.

QUESTION #2

PRECIS WRITING

modern age materialism and decay of morality

TITLE: The Dark side of Materialistic Evolution.

Civilizations thrive on progress but this evolution comes at a price. Modern world is more concerned with what you can achieve

Date: _____

and usually ignores use of ethical ways. People are intoxicated with fast pace work, inventions and undying desires. Now, there are edifices of steel and glass. There are markets that are open 24/7. Money works more than character. Justice corridors of justice no longer measure fairness but profit. Money influences those in power more than the policy itself. Because of this materialistic attitude, there is a general lack of trust among humans. The institutions have lost their purposes and values like honesty, truthfulness and humility are given little worth. This new millennium has taught man to get what he wants but forgot to focus on character development. The only thing that matters now is wealth. Unless a general sense of morality is revolutionized, this progress of hollow humanity will continue.
