Translate the following into English, keeping in view the idiomatic / figurative expression

If the world doesn't attract you, if your eyes get wet due to fear of Almighty, imagination of hell creates fear of Almighty, if you worship Allah as it is demanded, if good deeds attract you and avoid yourself on going wrong path then you are righteous. Some are pious while others become pious.

Being righteous is the matter of good fortune. Becoming virtuous is the matter of Purification and Striving. This took time and difficulties are to be borne away.
