(Translation Test 2)

If the world does not allure you,
if your eyes become teary because of
Allah's fear, if the picture of hell
instills the fear of Allah in you,
if you worship Allah as it is due,
if good allures you and your feet
stop from treading the wrong path,
Then you are virtuous. Some are
virtuous, some become one. To be
virtuous is a matter of luck (to be
virtuous is a blessing). To become
virtuous is a process of continuous
self-purification and struggle. It takes
time and difficulties to go through.
