Translation:

If the world does not attract you towards itself. If tears come out of your eyes by fear of Allah. If the imagination of Hell makes you fear God. If you worship Allah just like it has to be done. If piety attracts you and you do not go towards badness then you are pious. Some are pious. Some become pious. Being pious is being lucky. Becoming pious is a continuous act of struggle and purification of oneself. It takes time and hardships are also to be beared.
