

Translation

if world does not Attract you towards it, if By the fear of Allah you get tears in your eyes, if the thought of Hell builds fear of Allah, if you are worshipping Allah the way it should be, if Beneficence Attracts you toward it And your feet stops while going to paths of evil then you are pious. Some are pious while some pretend to be pious. Being pious is a fortune. To become Pious it needs Purification of soul. it takes time and needs Ability to endure pain also.
