Translation

If world did not grab you towards you itself, if tears comes in your eyes by the fear of Allah, if imagination of hell creates fear of God in you, If you are doing worship of Allah as it is supposed to be done, if virtue attracts you towards itself and you stop going on evil-paths then you are a ~~pietous~~ one righteous one. Some are virtuous, Some has to be virtuous. Having righteous is a fortunate thing but being righteous is a deed of self-purification and hardwork. It takes time and also had to face difficulties.
