* Question:- Translate the following into English, keeping in view the idiomatic expression.

* If, while lying on your bed, the world does not attract you, if the fear of Allah brings tears to your eyes, if the thought of Hell instills the fear of God in your heart, if you worship Allah the way He deserves to be worshipped, if righteousness draws you toward itself, and if your feet stop you from walking on the path of evil, then you are truly righteous. Some people are born righteous, while others become righteous. Being righteous is a blessing of good fortune, but becoming righteous requires constant purification and struggle. It takes time, and one must also endure hardships along the way.
