If the world does not attract you towards itself, if tears come in your eyes because of the fear of Allah, if the imagination of hell creates in you the fear of Allah, if you do worship of Allah as it ought to be done, if goodness inclined you towards itself and your feet stop when you walk on the path of evil, then you are righteous.

Some people are virtuous and some people become virtuous. To be a pious person is a good luck. Becoming a pious person is the process of purification and struggles. It needs time and hardships to endure.
