

Q Translation

If the world does not attract you towards itself, if tears well up in your eyes because of fear of Allah, if imagination of Hell ahsaid you, if you worship Allah in such a way that it can be done, if goodness inclined you to itself and if your feet stop going towards badness then you are vious. Some are born vious and some become. To be vious is a good fortune. To become a vious is an act of continuous purification and struggle. It takes time and one has to endure sufferings.
