

Translation

If the world doesn't attract you towards it, if the fear of God/Allah brings tears to your eyes, if the thought of hell frightens you, if you worship Allah in such a way that how it should be, if you lean towards goodness and try to distance yourself from evil that means you are righteous. Becoming righteous is a sign of good fortune. In order to become righteous, it requires constant self remainder and a struggle. It is a time taking process and one must bear difficulties as well.
