Title :-

~~Money~~ • Essence of Life /
• Life in True Spirit

Precis

Money is not the central focus of thinking of a sensible man because money is to fill appetite. Healthy people prefer good food but it's not their aim of life.

Wise people like making money to enjoy success vibes. The aim of passionate soldier is to win war although he is being paid, but if he is kept away from aim he would feel sad/down. The clergy man prefer his responsibility over money.

Although Doctor love fee but brave and well educated ones desire to cure patient. For brave man responsibility is first then money.
