HORAIN

Batch # 67

Preci Test #2.

Write preci and suggest title.

Title : Service before self-Interest.

A truly educated, brave, and healthy minded person doesn't make money their main aim, just as one does not only live to eat, even if they enjoy food. Similarly, professionals like soldiers, clergymen and doctors are driven by their duty more than their pay. While money is important, for genuinely committed people, purpose and service comes first.
