

Comprehension Test-II.

Question No: 1.

Q: what has been lamented in the text?

Ironically, the text revolves around the neglected importance of beauty in life and work.

Undoubtedly, unlike ordinary man, artist and sculptors focus on beauty and they struggle to create different beautiful things. ^{conversely} The ordinary people have restricted the scope of beauty as just an ornament. Therefore, people should appreciate the efforts of the artist who contribute to ~~make beauty~~ ensure the presence of beauty around us.

Q2: what is the difference between ordinary man and an artist?

Q NO: 2

Q no: 2 What is the difference between ordinary man and an artist?

An artist appreciates the beauty of the nature and try to reflect this beauty through his work. He understands the importance of beauty in shaping the objects like the moral activity shapes actions. On the other hand, an ordinary man restricts beauty as just an ornament.

Q NO: 3

Q no: 3 How can we make our life beautiful and charming?

We can make our lives more beautiful and charming by appreciating the beauty around us. Artists like painters and sculptors contribute to this. As history reflects, important achievements were made by those who believed in sharing beauty. Our actions and selections should prioritize beauty, as it is a crucial component of life.

QNO:4

Qno:4: what does the writer actually mean when he says, "Beauty is not an ornament to life"?

The writer explains the importance of beauty, by describing its reflection in objects, similar to how morals shape human actions. We should recognize and appreciate beauty in our lives, just as we do with morals. An artist understands the beauty of nature and takes it as an inspiration, reflecting beauty through their work.

QNO:5

Q: Do arts and beauty affect our practical life and morals? Justify whether you agree or disagree.

I strongly agree that art and beauty impact our practical life and morals. They beautify our life, making it more purposeful.

Beauty is a fundamental aspect of human nature, and its scope extends beyond mere objects. It makes life beautiful, much like moral activity shapes our actions.
