English Test - 4

Essay

Q:1) Write a paragraph of 250 words.

Women empowerment

You have broken the paragraph here and started a new paragraph, whereas you were required to write only one paragraph.

Women empowerment:

'Women empowerment' refers to the process of giving women the ability, confidence and freedom to make their own choices and participate fully in all areas of life. Socially, e.g. economically, politically and culturally.

In the past, women were often restricted to domestic roles and denied access to education, employment and decision-making positions. However, with growing awareness and changing attitudes, societies around the world are recognizing the importance of gender equality.

For example, like in China and Bangladesh, gave opportunities to the women in their affairs and business development. China started on this route in early 1950s, when chairman Mao Zedong's Communist party took control of China in October 1949 and proposed creating a ~~university~~ for women's university and Bangladesh empower women in increase their participation in economic development and financial security.

Indent the paragraph. Avoid cutting.

Bangladesh has seen rise in women empowerment entrepreneurship as government is supporting numerous initiatives such as micro finance programs and skill development training.

Empowering women means providing equal rights and opportunities to equal education, careers and leadership.
