

A thing of Beauty is a joy forever

The line 'A thing of beauty is a joy forever' depicts the beautiful aspect of beauty that is its ever lasting impression. As, the beauty of nature has long lasting effect on the human; it never fades. Whether it is found in nature, art, literature and human kindness; beautiful things continues to bring comfort, inspiration, and happiness long after it is experienced. For nature lovers, the beauty of nature is a big source of pleasure. Mostly, English literature's poets prioritize the beauty of nature. Today, in this busy world, it is important to emphasize the beauty in daily life as it provides comfort and mental peace. It is a healthy diet for brain that

nourishes it through thick and thin. Whenever, beauty is sought by human, it lingers in mind as the beauty is not just visual or physical; it touches the heart and soul, and stays within. Moreover, beauty is not an ornament to life; it is an essential part of life. Life and art without beauty can never bring true satisfaction. A true beauty remains alive in memories and emotion. For example, the Mona Lisa by Leonardo da Vinci, painted over 500 years ago, is still admired and cherished by million around the world. Its mysterious smile and graceful expression have captivated generations, proving that true beauty never loses its charm. To conclude, true beauty has a timeless quality; it does not fade with age or lose its value over time.
