English Precis Test-2.

"Service^{noble} is Superior to money"

A person does not make money the sole aim of his life like a healthy man, who ~~inspite of fondness for dinner, does not make it the primary purpose.~~ All rational people are amused by the excitement of winning money rather than making it. ~~As an illustration,~~ A combatant is delighted by winning a battle rather than to ~~be~~ paid for it. Similarly, the objective of the priest and a doctor is to preach and cure respectively. In short, service is prior to fee for all daring professionals. (89)
