Title ~~The Winning of Sensation~~
~~for well-educated people~~

It is impossible for well-educated man to make
money. This is because, they like money but they

to make money just the goal of their professions

enjoy more the winning of sensation. For instance,

the mission of a good soldier is to win the battle

, the clergyman's main task is to preached

by breaking into short sentences you
you can write with better flow and better id

and the good doctor's desire is to cure the

sick. They all love their work first and

fee is second option for them.
