avoid writing in word by word expression
use idiomatic and proverbial expression please

If the world does not attract you, if you cry
for the sake of Allah, if the thought of Hell
raises fear of Allah, if you worship Allah as
He must be worshipped. If your Goodness brings
you closer and your feet prohibit you from evil
then you are a pious person. Some people are
~~righteous~~ by birth, while others become righteous.
Becoming righteous is a process of continuous
Sanctification and struggle. It takes time and
faces hurdles.
