

"If the world does not pull you towards itself, if tears come to your eyes because of fear of Allah, if the thought of hell instills fear of God in you, if you worship Allah as it should be done, if goodness attracts you and you refrain from evil paths, then you are righteous. Some are born righteous, some become righteous. Being righteous is a fortunate thing. Becoming righteous is a continuous process of purification and struggle. It takes time and also requires enduring hardships."

Translation

You are a righteous if world is not distracting you, your eyes drop from the fear of Allah, the imagination of hell develops the fear of Allah in you, do the perfect worships of Allah, virtue attracts you towards itself, and stop from wrong doings. Some are virtuous, and some become virtuous. It is fortune to be a righteous. The deeds of mujahideen and continuous self-purification is required to become righteous. It is a time taking and pain tolerating process.
