

Is rearing children their only role? Do not limit it

write ^{here} a Paragraph:

Sidra Ramzan. **Women Empowerment:**
Patch 75, Lms: 1st 32407.

"There is no tool for development more effective than the empowerment of women." **Kofi Annan**
women are the pillars of well-organized Social Setup. They contribute to the progress of nations through social, cultural, political and economic support by rearing their children into productive individuals and intellectual citizens. Education is one of the primary needs of women since it ^{gives} them a chance to live a happy, healthy and meaningful life. An educated woman has the skills, information and self-confidence that she needs to be a ^{better} parent, worker and citizen as viewed by **Elizabeth Fennema** in her publication, *women and Education*.
Political Participation: women's involvement in politics leads to inclusive decision-making. Examples women leaders like Jacinda Ardern, and Ellen Johnson Sirleaf

and Maryam Nawaz (Pakistan) have shown the value of Female Leadership. Economic independence; women should have the right and opportunity to work, own property and control their own income.

Microfinance, entrepreneurship, and job training programs support economic empowerment. Cultural and social change; challenging stereotypes and promoting gender equality in families, media and traditions fosters long-term change. Women empowerment matters to reduce poverty, Boosts economy, improves education and health, and Ensures equality and justice. By addressing these areas and implementing effective strategies, women can be empowered to reach their full potential and contribute to a more just and equitable society.
