"A Thing of Beauty Is a  
Joy forever"

A thing of beauty is a joy forever  
is an immortal line by John  
Keats. According to him, beauty  
is timeless and uplifts the mood.  
Even after ages, a beautiful experience  
remains as joyful as it was  
then experienced. Such as the  
~~first time experienced~~ <sup>experienced first time</sup> sunset or  
the first time experience of  
swimming at the beach. This  
line means that even after  
many years, <sup>remain</sup> somethings remains  
as beautiful as first time experienced.  
Even in the dark night, just a  
glimpse of full moon makes it  
through the shiny sky. The beauty

of things are linked with truth, as it is said "Truth is Beauty, Beauty is Truth". True feelings are linked with beautiful memories. In this fast paced world, no one <sup>has</sup> time to relax and sit to observe the beauty around us. Beauty can be natural or can be man made. The "Taj Mahal" is an example of beauty. It is said to be carved on the face of world. It signifies love, beauty and Power. It is a mausoleum constructed by Emperor Shah Jahan in the memory of his beloved wife. It is a source of wonder and admiration for visitors. The world is full of such beautiful things we just need to observe closely, it not only changes our perspective but takes unhappiness away from our heart. As beauty is a gift of God, we should cherish it.
