Test-2

Ayesha Sama

use idiomatic and proverbial expression

If the world does not tempt you, if your eyes well up with tears out of fear of Allah, if the thought of hell stirs awareness of God within you, if you worship Allah like He ought to be worshipped, if righteousness draws you in and your feet hold you back from treading the path of sin, then you are truly righteous.

Some are born righteous while others become so over time. To be righteous is a blessing. Righteousness requires constant purification and self-discipline. It takes time and you have to endure hardships along the way.
